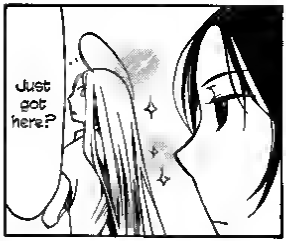
Chapter 7
Midsummer Drencher

Wh-
Who's there?!
Why do you know our names...?!
SHINK
What kind of person are you?!
ANSWER!!
Jun... ka...?

JUNKA
...!?
SLIDE

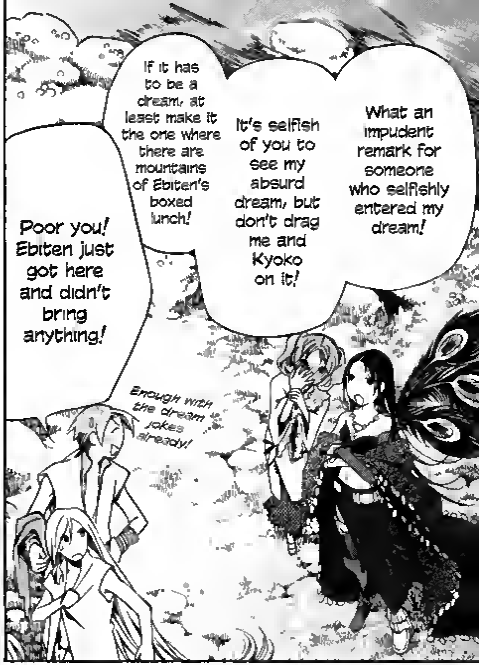
JUNKA...!!
TAP
Ugh...
Ng? Yeah...
Sakura!?! Are you really Sakura!?
WAAAAAH!
JUNKA...! JUNKA...!!
Ugh...
Ughhh...

So?
Who made Kyoko cry?
That's you, right?
Junka ...!
Sakurai also ended up here, huh?
I "also"?

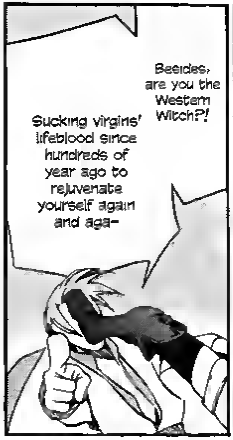


Just got here?

That's a flashy way to make an appearance!
I don't want to be told that by you...



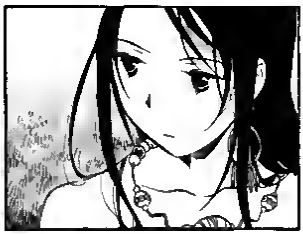
What an impudent remark for someone who selfishly entered my dream!
It's selfish of you to see my absurd dream, but don't drag me and Kyoko on it!
If it has to be a dream, at least make it the one where there are mountains of Ebiten's boxed lunch!
Poor you! Ebiten just got here and didn't bring anything!
Enough with the dream jokes already!



Besides, are you the Western Witch?!
Sucking virgins' lifeblood since hundreds of year ago to rejuvenate yourself again and aga-

When did you come here?
Three years ago.
And you?
sigh

Higuchi, you sure did age, huh?
Leave me alone...



Isn't she right here? Ebina's sister..
?
I see! Now it makes sense as to why the Witch would know of Japan very well!
What about An?!
If you've been living for hundreds of years, you must've heard rumours about her at the very least, right?!
You believe I'm a blood-sucker, don't you?
Not her, huh?
How could you tell?!
THROW
STRETCH

Follow me.
I'll take you to the Western Witch.
When did you come her-
Eep!
...
Hey, Junka

Dunno.
When I came to, I was in Sekigetsukai all along.
Why are you here?
It'll be half a year soon.
T-
thanks.
This is the first time I've heard it called Sekige-tsukai.
Of course I made it up.
I-
I see...
A world illuminated by two red moons.
Sekige-tsukai (Red Moonlit World).
I sure have quite a naming sense, yep.
That sounds like some RPGs or online games' rip-off.
Still, what a turn of events.
Ever since my arrival three years ago, not even a single Japa-nese-
Be careful with your steps.
Huh-

A-
GRAB
THUD
GRAB
AAAAAAAAHHH

TELL ME IF THERE ARE TRAPS, YOU BOXED LUNCH DEMON!!
Ooh, that's some splendid move
Is that so? Got it.
"There are traps."

Watch your step there.
FALL
This is the net area.
Hey, hey...
PEW
PEW
There are stones coming 15 degrees from your left.
GRAB
There are arrows coming 60 degrees behind, on your right.
AREN'T THESE A LITTLE TOO MUCH?!
STAB
CLACK
OFF
TUCK
Huh?!

THUD
EH,
WHOA
FLOP
STAB
!!
EBINA-KUN?!
EBINA-KUN!
WAAAAA!!

Ooh,
that worked quite well for my first time.
EBINA-KUN, ARE YOU OKAY?!

ALL THESE TRAPS ARE YOURS?!
It was the very first trap I set up.
Junka ?!
SWIRL
Worry not. This trap won't kill you instantly.

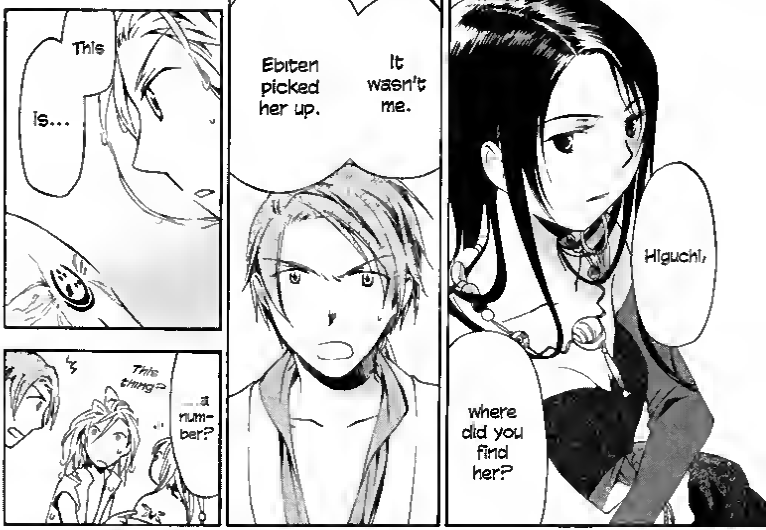
I never had something to test them before
Let's take a commemorative picture
CHEER-FUL
うきっ
うきっ
Release them quickly, Junka!!
Finally, I saw them in action
We could rinse it with water to remove the adhesive, but...
Ju-Junka
Can't be helped, let's cut them off.
The water still isn't enough
SHAK
SHAK
SHAK
We don't have enough water
Ngh,
No doubt, man must draw water out by themselves
Water is precious, you know!
Higuchi, hand yours over.
SHINE

she totally resembles An-chan
Really. . if her hair got darker...
AN...!!
WAUGHHH!

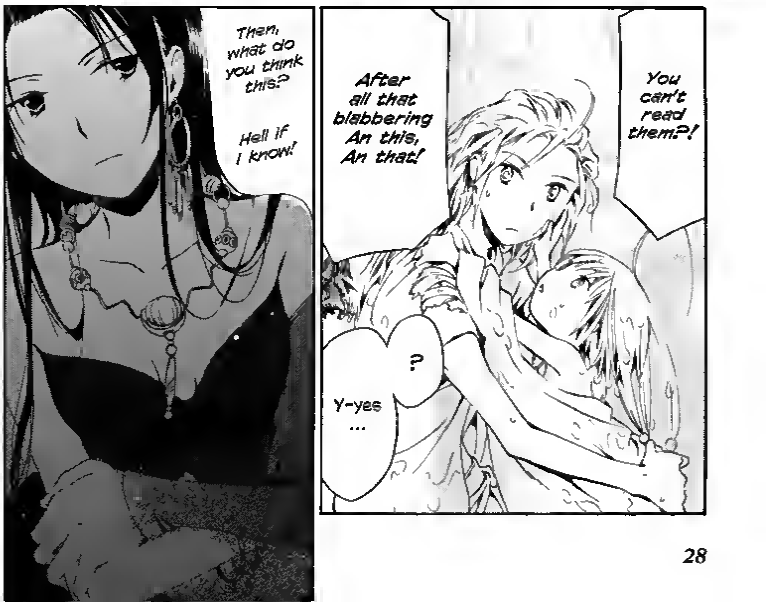
A scar...? Was she inju-
Huh?
It's hard to do it if she moves around this much. Lend me a hand here.
Hey, Ebina, hurry it up!
MOVE
MOVE
TSUKAE
ニヤ
What is ...
this?
.....

A brand,
isn't it?
3,
7,
2...?
The pattern,
and the letters are engraved
The center of her back is tattooed
Doing that to such a small child...!

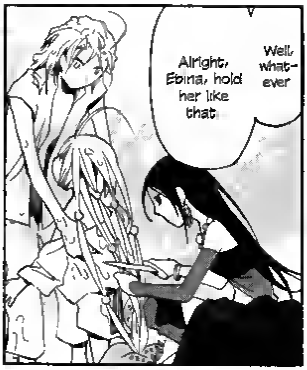
372
It's a number!
And then, the number in the center...
the pattern on her back is probably a rain crest
Yeah I don't know what it actually means, but,
Saku-rai, this is...
So awful!



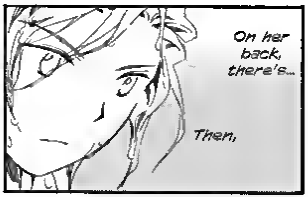
Higuchi,
where did you find her?
It wasn't me.
Ebiten picked her up.
This is...
This thing?
...a number?



You can't read them?!
After all that blabbering An this, An that!
Y-yes ...
?
Then, what do you think this?
Hell if I know!



Alright, Ebina, hold her like that
Well, whatever

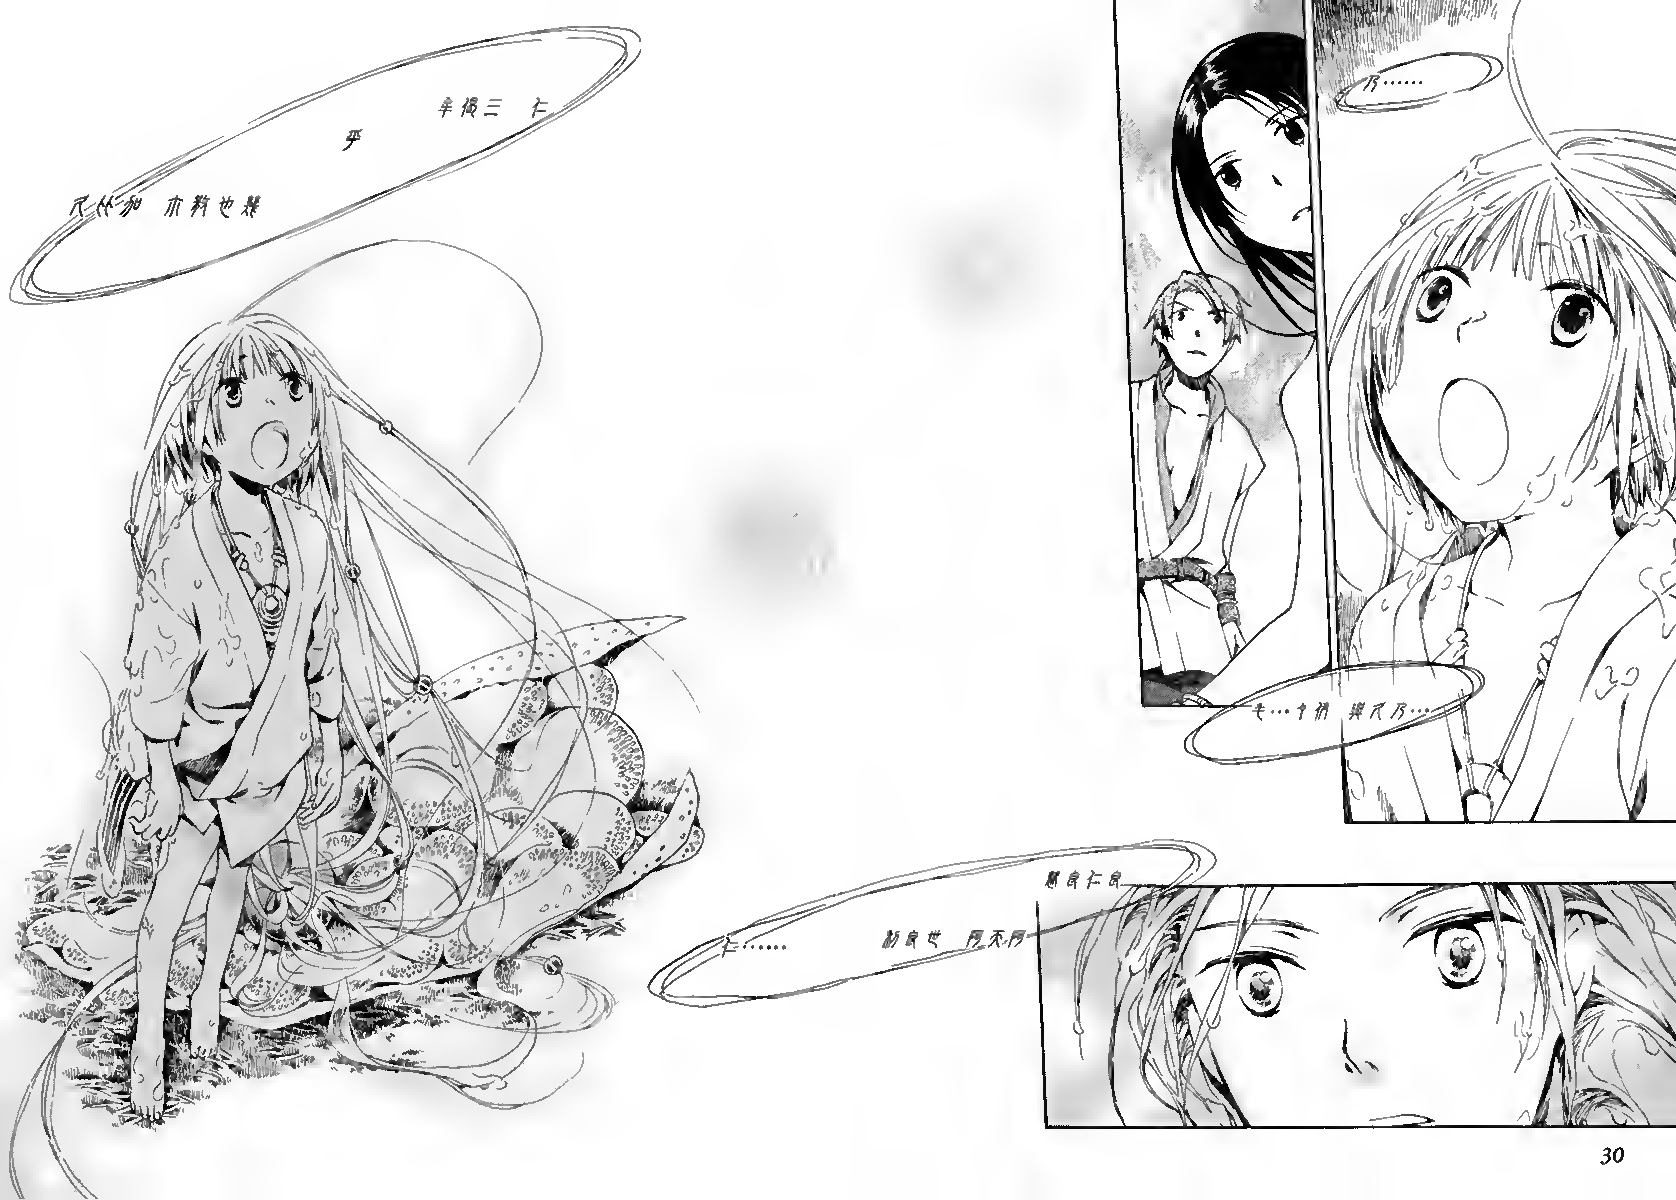


On her back, there's...
Then,

Could it be, something happened and An ended up like this...?
That's-
How could it still have any power left?
I didn't mean that!

But, there are Sakurai's and Higuchi's cases
Hey, Sakurai, your cell-phone ...?
My hands are full now
It's a day-time alarm.

Her hair is white too...
Certainly, she's smaller than the real An
she really isn't An?



An...
-chan ...!
She isn't Ebina's sister.
But really,
she sounds just like her.

SPLISH
SPLASH
SPLISH
...
Rain...
It's raining!
Today isn't the raining period, you know?!
Yeah
It's still too soon for Latrec's raining period.
Moreover, Ebins (the sunny boy) is here
The same as that time?
Noble Priestess ...?!

Are you the Noble Priestess?!
A-
This rain...
This singing voice...!
